1000 acres · NSI Transfers to Port ownership in 2010

Harbor Island
254 Acres · Direct Channel Access

Looking for a large-acreage site on a 45' deep ship channel? Play your cards right and your search is over. We have hundreds of acres of land to build the exact facility your company needs. You'll find exceptional road, rail and ship access; EPA air quality standards in full attainment; state and local agencies eager to assist; plus many more desirable assets. Pick a site, then call today for details.
